Speakers Bureau

A peer education program of the Office of Lesbian, Gay, Bisexual, and Transgender Equity

Students enrolled in LGBT 350 are trained to give presentations on diversity in sexual orientation and gender identity or expression. They will lead your class in a discussion responding to the most frequently asked questions your students have. As peers they are the best equipped to respond to the queries of college students on these timely issues.

Requesting a presentation

- Log on to http://lgbt.umd.edu/speakers.html.
- Please read the instructions carefully.
- Fill out and submit the form.

To ensure we are able to fill your request, you are strongly encouraged to submit your request as early as possible. Under no circumstances will we accept a request with less than ten days notice.
